

## WEI FARM INTERNS SUMMER/FALL 2017

EARLY SUMMER TERM: May 22-July 3

LATE SUMMER TERM: July 5-August 31

FALL TERM: September 1 – October 30

WEI offers several different farm internships for the 2016 season. The internships includes residency at the farm Monday evening through Friday afternoon. Interns are introduced to many aspects of organically certified farming, framed within a 26 hour paid workweek. Questions: call for Jacquelyn 651-583-0705 or contact [jz@w-e-i.org](mailto:jz@w-e-i.org) More information can be found at <http://www.w-e-i.org/involved/internshipsjobs/>

**BRIEFLY ANSWER:** make space for your answers. All levels of experience are acceptable for Farm Internships.

*Why are you interested in a WEI Internship?*

*How are your future plans related to organic farming?*

*What education, training or experience do you have with farming or organic farming?*

*Have you worked as an intern at another farm or agency? Name of farm/agency and dates.*

*How would this internship at WEI enhance your learning experience or your future*

*career plans?*

*What specifically do you want to learn about organic farming and/or organic apple orchard care?*

*What is your favorite book on food politics, organic food or organic farming?*

**SEND THIS APPLICATION** as an attachment along with a letter of introduction, your resumé (work history) or CV and three references from former employers, co-workers, teachers to [wei@w-e-i.org](mailto:wei@w-e-i.org) or send all of this hardcopy by mail to WEI, P.O. Box 128, North Branch, MN 55056. The positions will be held open until filled.
